MODEL
VIKING YouSafe™ Pioneer

VIKING YouSafe™ Pioneer

With a lightweight and ergonomic fit, the VIKING YouSafe Pioneer ensures the wearer has the most comfortable transit to and from offshore operations, whilst still providing first class safety. The special designed suit for women improves the comfort and the overall performance.

- Top of the line model with multi-layer thermal liner that regulates body heat
- Integrated valves to remove trapped air in an evacuation situation to control buoyancy
- Designed in collaboration with offshore personnel

VIKING YouSafe™ Pioneer, helicopter passenger suit, ETSO
