MODEL
VIKING YouSafe™ Ranger

VIKING YouSafe™ Ranger

Specially designed for the Offshore Wind Energy Sector, the VIKING YouSafe Ranger dual approved ETSO and SOLAS/MED transportation suit is a great solution for technicians and engineers when travelling by helicopter or vessel.

- 2-in-1 transportation suit for crew transfer vessel and helicopter transfer
- Reinforced knee and rear to reduce wear and tear during hoisting operations and compatible with international harness
- Approved for use by many wind farm operators in the North Sea

VIKING YouSafe™ Ranger, transportation suit, SOLAS/MED, ETSO
