## Product certificate

We confirm that the below braided line is manufactured by us and that it has the following specifications when leaving our factory.

<b>Article no.</b>	:	101-096
<b>Description of article</b>	:	8,0 mm crossbraided PP, orange
<b>Length of material</b>	:	30 m length
<b>Description of raw material</b>	:	High tenacity polypropylene
<b>Breaking strength min.</b>	:	8,1 kN.
<b>Application temp.</b>	:	-30° C - +65° C.
<b>Min. weight per mtr.</b>	:	32,25 gr.

The line is manufactured as non-kinking. This is obtained by braiding the fibers, in this case cross braided, thus assuring that the line is non-kinking.

Best regards
