

LIFEJACKETS

VIKING YouSafe Edge

CE/ISO
PRODUCT NO. PV9241

SLIM AND
MODERN
LOOK

Clever design elements for enhanced fit and all-day wear

Incorporating elegant design principles and high-quality materials from our SOLAS portfolio, our new range of CE-approved inflatable lifejackets sets a new standard.

The VIKING YouSafe Edge boasts a wealth of comfort-enhancing features and design specifications, making it an excellent choice for extended wear in various demanding maritime applications.

Special features

- Inspection window with green light system to check operational readiness
- Modern design with enhanced weight distribution across torso
- Multiple add-on options to meet your needs

LIFEJACKETS

VIKING YouSafe Edge

CE/ISO
PRODUCT NO. PV9241

Specifications

Approvals

- CE/ISO

Cover fabric

- PU coated polyester

Colour options

- Black
- Hi-vis yellow/black

Design features

- Slim and modern look: Mirrors the design of the advanced VIKING YouSafe SOLAS lifejackets, however, featuring a single chamber construction and an integrated inspection window that meets the latest ISO standards.
- Everyday comfort: Crafted for all-day wear and made with durable materials.
- Enhanced comfort: Featuring the "right bend" in the neck for better weight distribution across the neck and torso, as well as a detachable crotch strap.
- Freedom of movement: Lighter than SOLAS life jackets allowing for greater freedom of movement.
- Versatile compatibility: Ideal for work applications and compatible with all VIKING work suits and immersion suits.

Typical applications

- Suitable for e.g. general deck work, maintenance, repair and inspections in commercial shipping, cruise and ferry, defence and professional industry.

Options

- D-ring for enhanced fall protection
- Sprayhood, light and PLB options
- 150N + 275N buoyancy versions
- HR automatic release system

Service

- Leisure every two years
- Work every year
